# ARECA LEAF PRODUCT

At Exim Empire, we bring you eco-friendly, biodegradable, and stylish Areca leaf Products crafted from areca palm leaves. Our products combine sustainability, durability, and aesthetics — perfect for catering, restaurants, events, home use, and export markets.

# TURMERIC

In India, turmeric is known for its antiseptic and healing properties. Turmeric is used to add fragrance, colour and aroma to the dishes. The turmeric finger is the purest form of turmeric and is used in medicines, food and dyeing processes. The product is sourced from the farmers who grow the crop in natural and organic manner. Turmeric is widely grown in Erode. Turmeric powder is made from turmeric fingers. We offer optimum quality turmeric fingers at competitive prices.
